WORK EXPERIENCE

Mailchimp
Product Manager | 2018 - Present
- Led development from research to launch for many products and feature sets.
- Defined project scope, goals, and deliverables to ensure consistency with company strategy and commitments.

Marketing Associate | 2015 - 2018
- Developed and managed onboarding process for bringing on new integrations by third-party developers. Coordinating with cross-departmental teams ahead of releases.
- Worked with product manager to help inform decisions and prioritize maintenance.
- Developed and coordinated co-marketing initiatives to increase reach and usage of MailChimp alongside strategic and non-strategic partner platforms.

Social Specialist | 2014 - 2015
- Provided prompt, direct technical responses while maintaining MailChimp's public image and branding on social media outlets.

Technical Support | 2013 - 2014
- Showed compassion and maintained specific MailChimp voice and tone while providing full application support via chats and emails with users.
